AMENDMENT "D"

Honorable Commissioner for Patents
MS Patent, PO Box 1450
Alexandria, Virginia 22313-1450

This amendment is responsive to the Office Action dated January 18, 2006, in which the Examiner states that the status identifier in the reply filed on November 04, 2005 is inconsistent with the prosecution history. The claims 41-59, which are labeled as either "currently amended" or "previously presented" in the reply, have not previously been presented for prosecution. The applicant has corrected the errors as per Examiner's instruction. The claims 41-59 are now labeled as "new" in this amendment.

The new claims which are drawn to a non-elected invention are Claims 43, 45-47, 50, 53-54, 57-59. The applicant has consulted the web-page on the topic, "Revised Amendment Practice under 37 CFR 1.121 and Other Topics", the last paragraph of A2, about the non-elected claims.

<http://www.uspto.gov/web/offices/pac/dapp/revised121qnas.htm>

In the Amendment B filed on October 19, 2005, the applicant had specified that the Claim 27 would be withdrawn from further consideration. Claim 27 is canceled in this amendment.

The applicant submits herewith a complete listing of all claims, together with the proper status identifier for each claim.

The applicant believes that he has been fully responsive to the Examiner. The applicant requests an entry and consideration of the amended claims submitted herewith.

Respectfully submitted,

Kim Kwee Ng
